EDUCATION

The University of Iowa // Iowa City, IA
Sustainability Science, BS
Geoinformatics - GIS, Certificate
Environmental Hydrological Science, Minor

Software Proficiencies:

Esri systems, ArcGIS Pro, ENVI 5.7, QGIS,
Trimble systems: Projectwise, TopoDOT
Auto CAD, Civil 3D, Cyclone Registration 360,
LiDAR/ Point Cloud Extraction, Cyclone 3DR,
Excel, Google Earth Pro, R Studio, Trimble B-Center

Education Experience:

- Intro to GIS
- Intro to Remote Sensing
- GIS: Environmental Applications
- GIS: Health and the Environment
- Geographic Visualizations
- LiDAR: Principles and Applications
- Geospatial Field Methods

Equipment Proficiencies:

EMLID Reach, Trimble DA2, Total Station, GPS, Terrestrial and Drone Lidar.

WORK EXPERIENCE

Premium Events Supervisor

University of Iowa Facilities, Iowa City, IA

August 2022- August 2025

- Work with event planning, sports management, ticketing sales, and customer accounts.
